RESOLUTION OF THE PIMA COUNTY BOARD OF SUPERVISORS

Regarding the Detention of Carla Toledo and Request for Investigation

WHEREAS, the Pima County Board of Supervisors has a duty to uphold constitutional rights, due process protections, and the lawful treatment of all individuals within the United States; and

WHEREAS, the Board has received public reports and communications alleging that Carla Toledo was taken into custody on or about May 18, 2026, by personnel identified as agents of the U.S. Department of Homeland Security (DHS); and

WHEREAS, concerns have been raised that such detention may have occurred without presentation of a judicial warrant or other documentation of lawful authority at the time of the incident; and

WHEREAS, the Board recognizes that only a competent court of law may determine the legality of any detention, arrest, or use of force, and that all individuals are presumed to act within lawful authority unless and until a court finds otherwise; and

WHEREAS, allegations of unlawful detention implicate serious constitutional concerns under the Fourth and Fifth Amendments of the United States Constitution, including protections against unreasonable seizure and deprivation of liberty without due process of law; and

WHEREAS, transparency, accountability, and public trust require that credible allegations of unlawful federal enforcement conduct be independently reviewed by appropriate oversight authorities;

NOW, THEREFORE, BE IT RESOLVED THAT:

The Pima County Board of Supervisors respectfully requests a formal investigation into the circumstances surrounding the detention of Carla Toledo on or about May 18, 2026, including whether all applicable constitutional, statutory, and procedural requirements were followed by any involved federal officers or agencies.

The Board urges the United States Department of Homeland Security Office of Inspector General, the United States Department of Justice Office of the Inspector General, and any other appropriate federal oversight body to review this matter for compliance with federal law and internal enforcement policies.

The Board requests that, if it is determined through competent legal authority that any individual was detained without lawful authority, that appropriate remedial action be taken, which may include release, correction of records, and any other remedies permitted by law.

The Board refers all allegations of unlawful conduct by any involved officers or agents to the appropriate prosecutorial authorities for review, to determine whether any criminal statutes or civil rights protections may have been violated.

The Clerk of the Board is directed to transmit this resolution to:
